# What we do

We recognize, that becoming successful in the online marketplace can come with its challenges. Our goal is to provide 2 major solutions:

---

## **Advertising:**

Access simple, powerful online advertising  
to build your leads and sales  
in any business or product that you choose

## **Income:**

Earn crypto currency rewards daily  
Browse advertisements, Complete surveys, Play games  
Excellent sales agent commission

## **Mission**

“To create the fastest growing,  
longest standing online business  
offering valuable advertising and  
substantial crypto currency  
income.”

# How it works

We sell advertising space on our site.  
We pay members to watch the ads.

## Earning and Minting Tokens:

Earn an income from home watching ads.

It's simple. Watch ads, get paid.  
No special equipment or expertise is required.

By watching ads, completing various tasks like polls and surveys, playing games, etc... you can earn newly minted tokens for that day and/or direct payments from our advertisers.

## Advertising Campaigns:

Purchase our advertising products, and we'll deliver traffic to your website.

You can be sure your ads are being viewed by a qualified home based business audience as our members view your ads each day.

You can start advertising and minting, all for free!

# Advertising that gets noticed

Our unique Advertising Platform delivers views from qualified buyers directly to your website.

Choose from our **Advertising Products:**

# Minting Asimi Tokens

Minting is the creation of new Asimi tokens into circulating supply. You can mint new tokens into existence via "Minting ads" in the "Ad Minter" at Hashing Ad Space.

✓ Mint tokens daily through ad views

✓ It takes only 7 seconds to mint 1 ad

✓ Earn more Asimi, Mint more Ads,  
Earn more Everyday!

✓ We mint 17,438 tokens each day

✓ The more ads you view, the more you earn

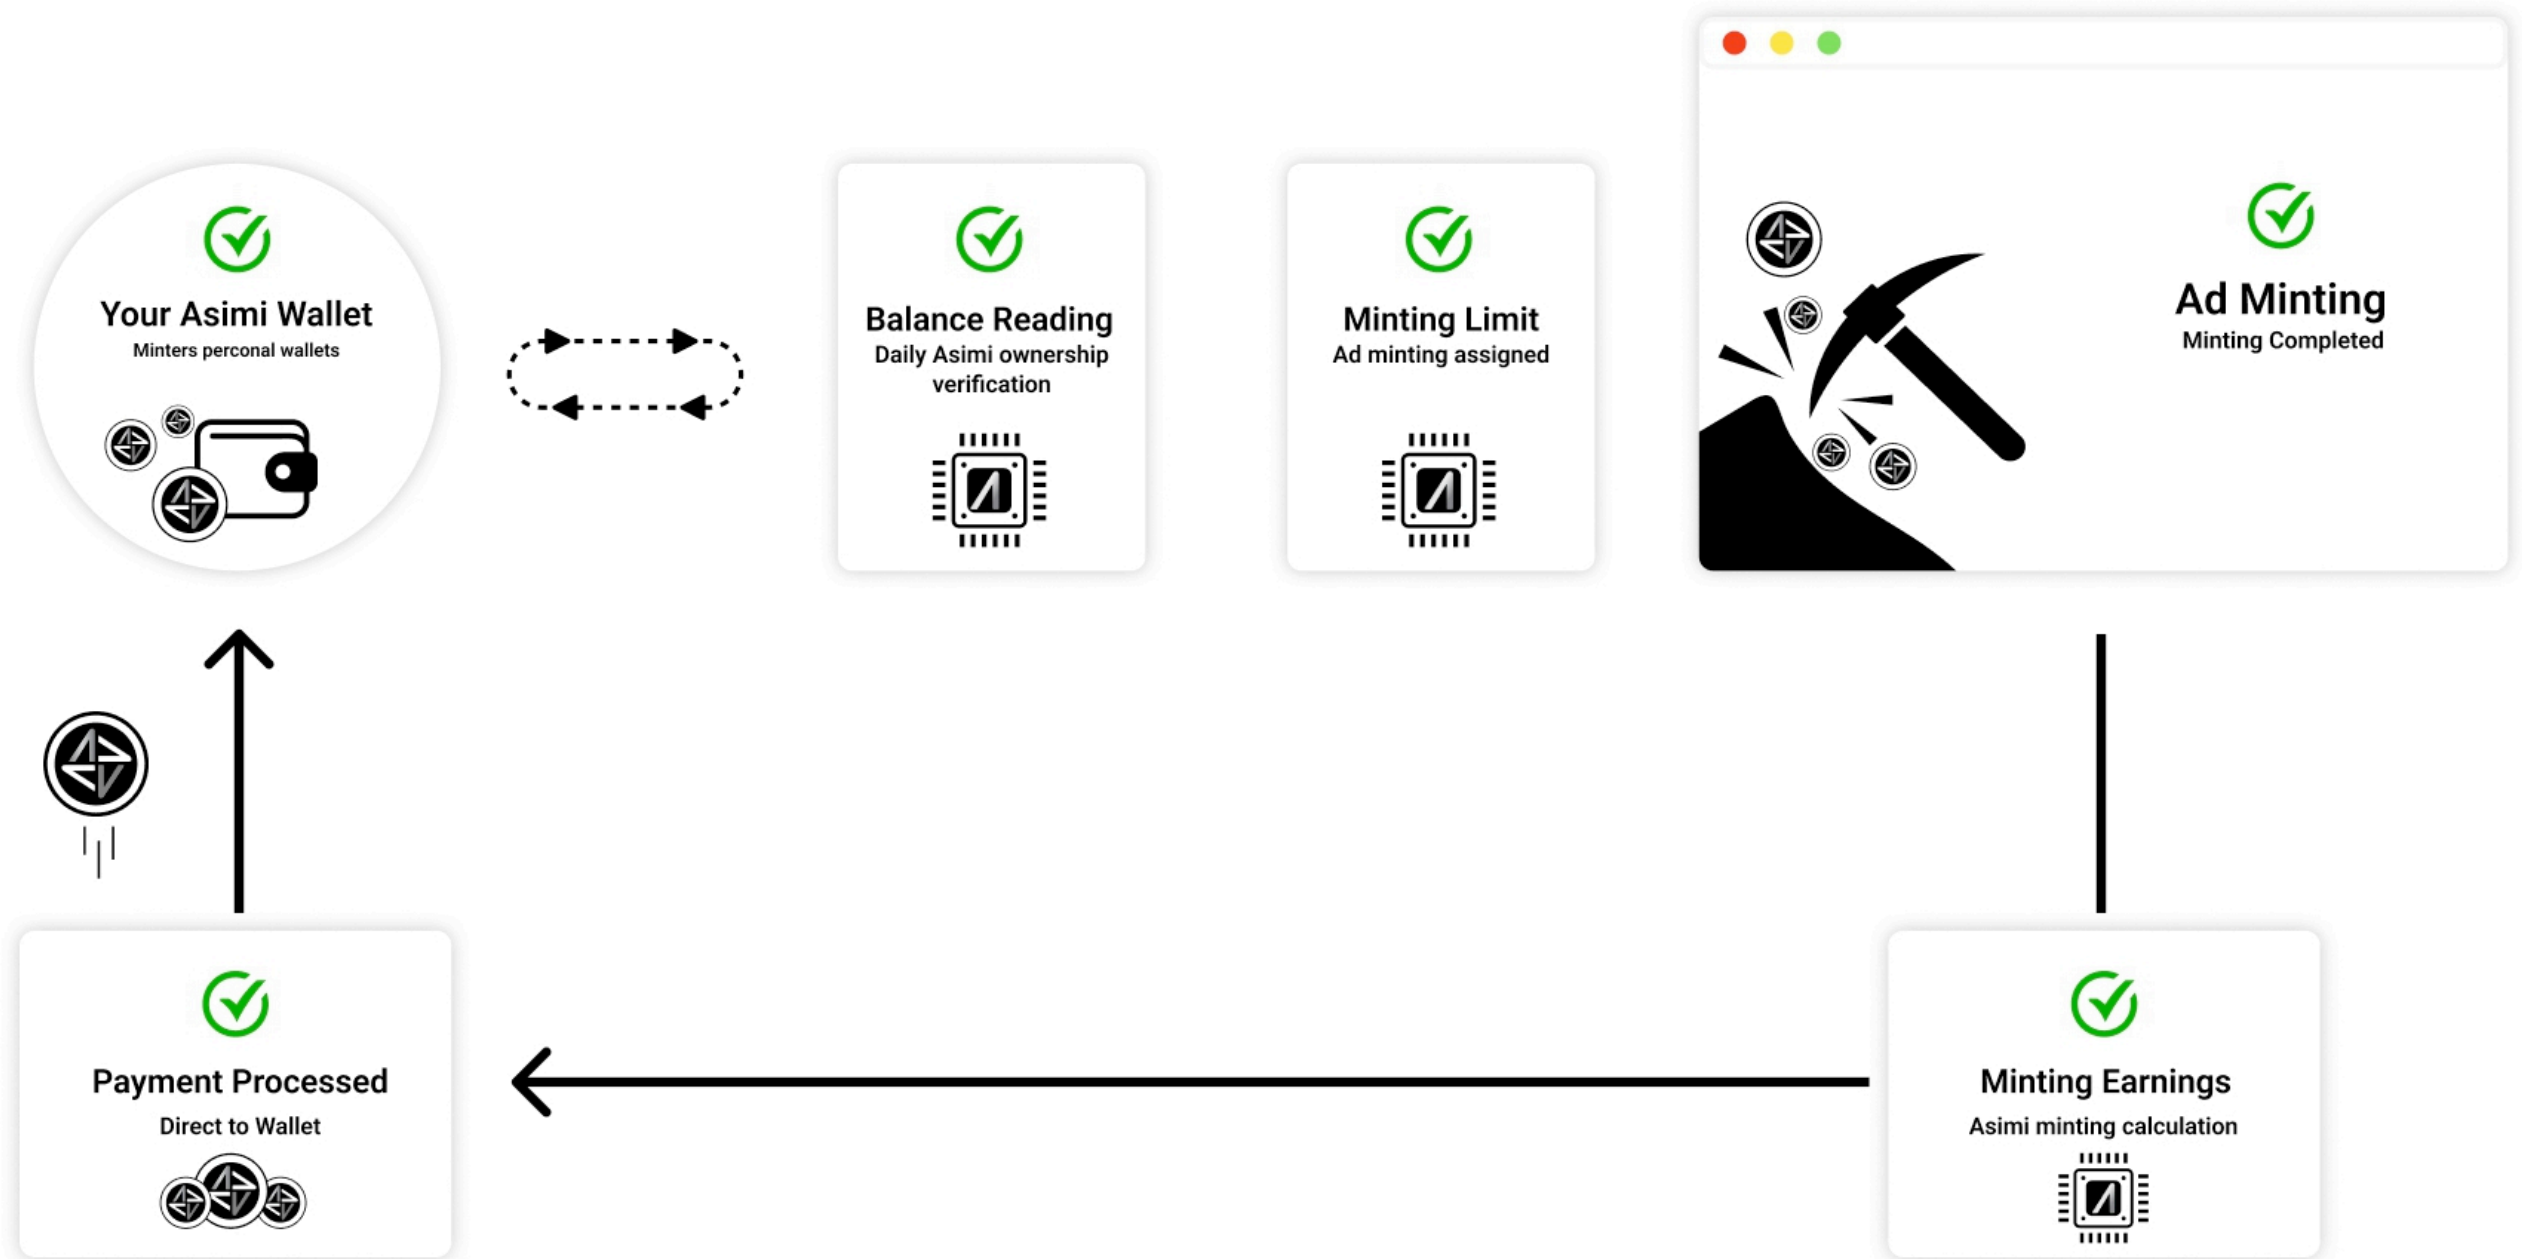

**Your daily minting payment is determined by successfully completing your ad minting for the day. ("Qualified" for earnings).**

**The ad view formula is as follows.**

$$\text{PaM} = (\text{TM} \times \text{MaV}) \times \text{AoP}$$

**NOTE:** Final PaM is adjusted for minimum ad view requirements.  
Minimum ads view requirements are adjusted on minting profitability.

# Disclaimer

---

**There are inherent risks associated with Hashing Ad Space and crypto currencies.**

Our advertising/minting business model, particularly staking and minting, rewards the members participating in our advertising platform for the act and effort of watching ads. **Daily Minting rewards will vary and are not guaranteed.** All current and future earnings are paid in Asimi crypto tokens. This means your minting profits are subject to the risk and volatility of the crypto currency market, future limitations or legislation of crypto currency, and specifically fluctuation of crypto currency values, including, but not limited to, Asimi, Bitcoin and/or Waves.

We cannot control market forces or anticipate the value or usability of crypto currencies in the future and therefore cannot make any promises of any gains whatsoever. While good crypto currency conditions would be very favourable to our advertising/minting system, bad crypto currency conditions would not.

We expect great success for Hashing Ad Space minters. At the same time, your effort minting ads, as well as your staking, minting and advertising packages MIGHT NOT GENERATE A PROFIT.

Hashing Ad Space, its CEO, founders and employees accept no responsibility for your staking or purchase decisions. You should ALWAYS consider your purchase as a FINAL PURCHASE and only purchase within your budget.

**Seek professional independent, legal, tax and financial advice before deciding to participate in any Hashing Ad Space services.**
